MISSION STATEMENT

Our Mission is to ensure people go home safely at the end of the day, every day. We will do this by creating innovative, comfortable and appealing PPE products that will make safety feel less of a requirement and more of a liberating freedom.

We aim to be the most trusted brand of head-to-toe PPE that delivers quality without compromise. This applies to not only our products, but also our customer service and fulfillment capabilities. We know that reliability means everything in our industry, and we aspire to be the partner our customers know they can count on no matter what.

It's all part of our *Freedom in Full Gear* promise.

OUR SERVICES

BRANDED PPE

Drive brand awareness with custom logos and safety reminders printed on your PPE. Available in silk screening for a vibrant, eye-catching design or pad printing for printing on products like hard hats or ear muffs.

PRIVATE LABELING & CUSTOM PACKING

Give your packaged products a professional, customized look. This service provides low cost, retail ready, or banding multipacks that can be store ready directly from the product cases.

VEND PACK READY

Provide your customers with vending machine pack ready items. It's a versatile solution that offers convenient packages to accommodate small or large business merchandise.

DIRECT IMPORT PROGRAMS (DIP)

Increase buying power without compromising quality control with a personalized direct import program. The DIP is designed specifically for high-volume distributors looking for cost savings.

SERVICE HANG TAGS

Add value to your packaging. Choose from two hang tag style types printed with customized retail markings, including UPC barcoding, product item number, and description call outs.

DROP SHIPMENTS

Save time and money with drop shipment services that handle your orders with care and attentiveness. It's a flexible, low investment strategy that offers scalability for your growing business.
